That headgear aside, what's with the kids-only balloon?
Huh?

IT'S SO CUTE!
Ears? No, Gekota's eyes!?
Speaking of which ...
They're not for you~
Let me see!!
Got a problem? Of course Misaka gets one, it hasn't been a year since she was born.
It'd be weird if this Misaka didn't get one.
Misaka is 0 years old. Zero!
Is that right?
Whatever I guess.
Gimme a break ...
ARGH!
Misaka Misaka wants them, too!!
Wallet please!
Gekota eyes!!

TA-DA
That's right~ I got 'em from a friend, so you all go have fun-jyan!
GEKOTA LAND!?

All right, settle down.
Have fun together tomorrow -jyan.
Cripes, what a racket...
Well then,
You're in charge of them, Accelerator!
Huh?
Misaka supposes she'll go if you really want her to!
FINE
That's a shame, guess I'll give it to another student--
Oh, Worst isn't interested -jyan?
OOO
"Gekota Land"? lol That sounds sooo lame! lololol
PFFT
MISAKA WILL DEFINITELY GO!!
says misaka misaka!
Hey.. why are you counting me in?
C'mon, I can't let these girls go off on their own-jyan!
Not that Misaka needs you...
yay!
CLATTER
THEN WHY DON'T YOU FUCKING GO, YOMIKAWA!?
Unfortunately, Yomikawa-san has Anti-Skill work tomorrow-jyan.
Fucking hell...

Actually... I have this disease that'll kill me if I touch a mascot character.
THAT'S A HALF-ASSED EXCUSE IF I EVER HEARD ONE.
I can't...
Why?
CLUNK
Wait a sec -- that bitch over there has nothing to do.
Yoshikawa, you go with them.

And I'm telling you... I'm not going!
Listen to me, dammit...
Okay?
Anyway, Have fun!
-jyan

SIGH
Man, what a pain...
Accelerator!

Sorry to make you wait...
says Misaka Misaka as she scurries over!

Seriously, About time...

Presents for Yomikawa and Yoshikawa!

You buy those things before you leave.
They'll get in the way.

MISAKA MISAKA'S HAPPINESS LEVEL RISES BY 100!
Easily pleased, aren't ya?

What's that?

That's perfect!
says Misaka Misaka with surprise ♫
OH! WAIT A MINUTE ...
RUMMAGE RUMMAGE
Put that stuff in a locker for now.
Tch!
Running off by herself again...
She'll probably be back soon.
And what happened to WORST?
PFFT
What the hell's that, Number One? It really suits you lololol
Hehehe♪
Misaka bought yours as well ♫
Now we match, says Misaka Misaka ♥
Now you belong in Gekoland too!
Fufu!
Welcome to Gekoland, says Misaka Misaka--

WHY...!?

says misaka misaka
DO I LOOK LIKE THE TYPE THAT'D WEAR THIS SHIT!?
misaka misaka had expected a more fun-loving accelerator!!
SHUT IT!!
OH!!
Oh boy.
SMASH
FWIP

WE'RE NOT TAKING ONE!!
GRIPE
GRIPE
.....
Onee-sama?

I'm not sure... I thought I sensed a really nasty presence...
Hm? What presence?
Misaka-san, Shirai-san!
It's all right, forget it.
I probably imagined it.
Ha Ha
?

Is something the matter?
Kuroko...

Sorry we kept you waiting!
Pant Pant
Hi!
Don't worry, we just arrived.
Oh really? Thank goodness...
Phew

CLICK
I actually bought them in advance...
I got these from a friend and didn't want them to go to waste.
More like, sorry for dragging you out here.
Not at all! We're glad you invited us!
That aside, it's rare to see Misaka-san in casual clothes.
Well, yeah.
I'd look odd in my uniform here.
I changed into these after leaving my dorm.
So they wouldn't find out.
AHHH
Her ojou-sama status shines even through casual dress...!
As expected of Misaka-san!
Uh...
Please don't say that, Uiharu-san.
Yup yup
Haaaa
What was that, Uiharu?

Onee-sama is onee-sama regardless of what she wears.
Her noble aura cannot be dampened by any means!
Honestly, you should know that by now.
And I am also clad in casual clothes today!
Well? Any comments?
Er... of course!
You look nice too, Shirai-san!
Yup yup
You're every inch an ojou-sama if you keep your mouth shut.
SNAP
Ah...
All right, that's enough... let's get going.
Uh, oh...
UIHARU??
Ahhn
Ouch! Thath hurth, Shirai-sannn!
pinch

I want to ride that next! says Misaka Misaka as she charges toward the line!
DASH
PLEASE WAIT 15 MINUTES
Ugh, what a pain...
HURRY, HURRY! come QUICK!
THAT one next!
SHOOH
PLEASE WAIT 60 MINUTES
next ...!
Pant
Pant
.....
It's just...
You can wait in lines too, says Misaka Misaka in amazement!
What're you looking at?
STARE
Shuffle
Shuffle
What d'you take me for?
Wow
He also stops at red lights.

Misaka doesn't feel like patiently standing in line.
You two do whatever you want.
Tchah!
30 minutes? Seriously?
You and her are so short-tempered, says Misaka Misaka.
Misaka isn't fond of waiting either.
Well, I get how she feels...
I hate waiting, too.
What will she even do here?
She said that and disappeared somewhere.
Hahhh
This really blows...
Ha!
MISAKA HAS ACCELERATOR ALL TO HERSELF!!
TCH!
Don't latch onto me!

VWOOSH
Fine by me...
NOW FOR THE BEST RIDE! WE GO ON THE GEKOTA COASTER!
SAYS MISAKA MISAKA BREATHLESSLY!
C'mon, let's go.
WAIT, WAIT!
LOOK AGAIN, MISAKA IS TALL ENOUGH!
No tippy-toes!
Tremble!
Give it up already.
tremble
I'm sorry
you're too short for this ride.
TOO SHORT
Thought so.
GRAB
MISAKA'S AHOGE COUNTS AS PART OF HER HEIGHT, INSISTS MISAKA MISAKA--
C'mon, let's go.

.....
I told her to stay put, dammit...
WHERE THE FUCK DID THAT BRAT WANDER OFF TO!?
We came from that direction...
Uh oh...
TODDLE
TODDLE

Not again... Misaka Misaka realizes she is lost!
Aaaa
Wha-...
Hey you!
He must be angry, thinks Misaka Misaka.
Why, it's Onee-sama!
What are you doing here?
Did you come alone?
Did Onee-sama come alone?
Misaka Misaka returns the question in exactly the same manner.
Being by yourself at a theme park is somewhat sad-
N-
No... I didn't come alone, my friends are over there-
Wait!!
This isn't about me!!
Orzoz
MISAKA ISN'T ALONE EITHER.
"THAT" PERSON IS HERE TOO, ASSERTS MISAKA MISAKA.
What? You're with Accelerator again?
YUP! AND WORST, TOO.
THOUGH SHE WANDERED OFF SOMEWHERE...

And that's how Misaka got lost!
Misaka Misaka heaves a big sigh.
That aside...
I still don't get it...
So that nasty presence from earlier was him...
How come you're staying with Accelerator?
Hmm... a lot of things have happened, so explaining it concisely is difficult...
but if Misaka had to summarize...
DECLARES MISAKA MISAKA!
BECAUSE MISAKA LIKES HIM!
Um...
But that's the part I don't understand...
SHINE

Well...
It's true that he is ill-tempered and aggressive and foul-mouthed and bloodthirsty...
Right...
So what's so good about him?
He head-chops Misaka a lot.
But he is actually lonely and a nice person too!
says Misaka Misaka.
.....
Haaah...
Onee-sama?
If you're fine with that, I guess I don't have any right to complain.
Still, let me just say this-
You don't have very good taste in men.
Where did you get that from?
WHAT!?

Hmph
Misaka's taste definitely comes from onee-sama!
Says Misaka decisively!
WHAT!?
What makes you say that!?
pft
He's similar to that boy onee-sama likes who runs ragged trying to help other people, says Misaka Misaka-
L-Likes!? What are you talking about!?
IGNORED
And they are both considerate too...
HUH!?
How is that demon considerate-!?
He joined Misaka for this picture when he didn't want to! He's such a tsundere!
Says Misaka Misaka with pride!
What is this?
It's kinda terrifying..
Yikes
And after that...
Gasp!
Misaka should head back now!
He must be still searching too.

Onee-sama!
See you!
Bye bye, Onee-sama!
Thank you for the juice, says Misaka Misaka.
Goodness.
There you are. We were worried because you vanished all of a sudden.
Ah, sorry about that...
Hm?
Was someone with you just now?
Oh, Eh?
for a couple of minutes.
GLANCE
Ah!
Found him! says Misaka Misaka as she tiptoes closer...
Surprise!
HUG
FU FU FU
Sneak
Sneak

TURN
Sneak
!?
FLINCH
RUMBLE
Hello, Miss Last Order. May I ask where you were and what you were doing?
And what were you trying just now?
Huh? When did you notice?
Misaka wanted to simulate a touching reunion, says Misaka Misaka...
But are you still angry...?
OF COURSE I AM, YOU SHITTY BRAT!!
WHAP
WHAP
WHY- DO YOU HAVE-
TO GET LOST EVERY DAMN TIME, STUPID KID!!
Ow!

Uuu...
Misaka thought you would have trouble carrying drinks for two while using a cane...
Your head-chops are as brisk as ever, notes Misaka Misaka.
and ran after you wanting to help, says Misaka Misaka...
Oh hell!
What's the point if you get lost on the way?
Uuu...
BESIDES! MISAKA WOULD BE PERFECTLY FINE WITHOUT YOUR MOLLY-CODDLING!
SAYS MISAKA MISAKA DEFIANTLY.
...hey!
Watch out!! In front of you!!
BAM
GEKOTA COASTER
GIFT SHOP

Fuck it, show me.
Uuu...
Perfectly fine my ass.
Just look at you now.
Sigh...
SHAKE
SHAKE
TREMBLE
TREMBLE
Uuu...
MY FOREHEAD'S SCRAPED, SAYS MISAKA MISAKA REPORTING HER CONDITION.
Uuu...
Lick it and it'll heal.
HOW DOES ONE LICK THEIR OWN FOREHEAD!?
PROTESTS MISAKA MISAKA TEARFULLY!
Sigh...

Lick.
There, problem solved.
Give me a break already.
Don't cause so much trouble for me, dammit.

That was a surprise attack... says Misaka Misaka.
You say some-thing?
n-noth-ing! says misaka misaka.
Isn't your face kinda red?
It better not be heat stroke.
I-I'm fine...!
It's nothing, says misaka misaka...
Finally found you two..
Huh?
How come your face is so red, Last Order?
I-it's...!!
I said it's nothing! says misaka misaka...!

KA-TUNK
KA-TUNK
KA-TUNK
KA-TUNK
KA-TUNK
KA-TUNK
Gasp...!
WOKE UP
What?
...
ZZZ
We left behind the presents for Yomikawa and Yoshikawa!
Misaka Misaka remembers too late!

■ Greetings to both new and returning readers, I'm Kino from Robo Punch.
Thank you for reading even this part!

■ One way or another we've arrived at the 14th Index book.
There were a lot of characters I wanted to draw, and I assembled many of them on the front cover... but once again it ended up being mostly about Accelerator and Last Order and the other characters didn't get as much attention. But I think I managed to spread them out more evenly this time.

■ With that out of the way... Railgun S! The Sisters arc was really good!
They did an excellent job with Accelerator's background, and parts like Experiment No. 1 were done very well too. I don't know how many times I've rewatched that scene. It makes me sad every time...

■ This was the only book I finished in time for Summer Comiket because I was sick in early July, but I actually wanted to do a serious book from Accelerator's POV as well... It's kind of silly how I make the same resolution every time to manage time better for my next project(s). Anyway, next time I'll definitely submit my work well before the deadline...! I plan my next event to be Winter Comiket (if I'm accepted), and this round for sure I'd like to invest plenty of time on an Accelerator story. This round for sure.

■ That's that! I don't even have time to reread my afterword, so I'll leave it as is without proper closure...! I hope we'll meet again in the next book.
